Disclaimer: The information provided concerning each student is the same as that contained in the official records of the school and school district. If there are errors in this information, it is your responsibility to notify the school attended by the student to correct the information. Attendance information may take up to 24 hours to enter, but should correctly identify the students attendance status for the previous school day. Grade card information will be available on the day that printed grade cards are available. Information for students who are 18 years old cannot be provided unless the student has specifically authorized access to the student's records.

Security Information: The Parent PowerSchool account authorized by signing this form is a secure account and will require a USERID and PASSWORD to access. The account will access only student information for the students associated with the parent/guardian identification number listed above. Sharing of your login and password with other persons will provide them access to the student's information. By sharing this information, you accept the responsibility for persons other than yourself obtaining information concerning your student. Minimum PC/Macintosh Requirements: Internet Access Required
